Hi Earl,

I hope you're reviewing Appendix D, the mass balance model! We look forward to your comments (COB tomorrow). I got Ed Garland's and Mark Dortch's comments, and will probably like to set up a call with the three of you (+ Alice and Beth).

I hope all is well, I'm hanging in there juggling being a part-time employee and part-time mother. I feel that I get neither done well, it's a tough life!
